

March 19 – 22, 2022, Setif, Algeria

SSD'22

19<sup>th</sup> International Multi-Conference on  
Systems, Signals and Devices

CALL FOR PAPERS

**SSD** The International Multi-Conference on Systems, Signals and Devices (SSD) co-sponsored by  
**2022** IEEE focuses on research, development and applications associated with the fields of  
Electrical Engineering and Information Technology.  
The 19<sup>th</sup> edition SSD'22 will be held in Setif, Algeria, from 19<sup>th</sup> to 22<sup>nd</sup> of March, 2022.

The SSD Conference was established in 2001 as a forum for scientists, researchers, and professionals from industry, to share and disseminate their most recent research results relevant to the fields of Electrical Engineering and Information Technology. The conference continues to be among the most prominent and most established IEEE conferences in Region 8. The conference is organized around four major tracks (see below). Each track is, in itself, a conference with a number of keynote speakers, tutorials, and regular papers.

The SSD'22 committee is cordially invite you to submit your full paper(s) to one of the following areas and we look forward to meeting you during the conference in Setif, Algeria.

**Communication, Signal Processing & Information Technologies (CSP)**

- Signal, image & video processing
- Signal processing for IoT
- Diverse multimedia applications
- Signal processing for communications
- Emerging Technology Applications
- Engineering Education

**Systems, Automation & Control (SAC)**

- Intelligent control
- Complex systems
- Linear & nonlinear system analysis
- Control approaches
- Faulty systems
- Robotics & automation

**Sensors, Circuits & Instrumentation Systems (SCI)**

- Physical & chemical sensors
- Measurement methods & metrology
- Sensors & circuits technology
- Sensor & measurement systems
- Electronic systems & technologies
- Sensor Systems for IoT
- Sensor & Instrumentation Applications

**Power Systems & Smart Energies (PSE)**

- Electric machines
- Power electronics
- Power systems
- Renewable energy systems
- Automotive power systems
- Monitoring and diagnosis

The SSD'22 conference accepts proposals for special sessions ([www.ssd-conf.org/special-sessions/](http://www.ssd-conf.org/special-sessions/)).

The deadline for submitting special session proposals is: **October 20, 2021.**

The SSD'22 conference also includes a Undergraduate and a PhD students competition ( see details [www.ssd-conf.org/awards/](http://www.ssd-conf.org/awards/)).

Accepted and presented papers during the conference will be published in **IEEE Xplore**. Authors of the best papers presented at SSD conference will be offered an opportunity to publish their works in Springer books, international journals, **which will be announced later.**

IMPORTANT  
DATES

Paper Submission  
November 10 2021

Notification  
January 15, 2022

Final Submission  
February 1, 2022

Full details of submission procedures are available at [www.ssd-conf.org/](http://www.ssd-conf.org/) or via EDAS, the Conference Manager : <http://edas.info/N28470>
